

Sunflower News

These are the responses I have received so far about sunflowers. Since they have come in by email, What's App and Text, I hope I have matched everyone with the right flower.

They always make me smile and I hope they make you smile. Keep the photos and measurements coming if you have any. Remember to save some seed for next year.

The 3 sunflowers I got from you all planted in the ground the tallest one 76 inches next 73 and the last one about 69 inches only one head out fully 10 inches really chuffed with them the cosmos are doing well so are the broccoli and the beetroot thanks for all the plants .x

Carole Saville

I have 2 at 4feet and one at 5feet gave my Grandsons 2: and last time saw them they where about the same, send you a picture when the flowers are fully open.

Obviously, they re now open. A lovely picture.
